49 Poetic Meditations for Counting the Omer or Turning toward a New Year

DAY 39

Netzach b'Yesod / Endurance within Connection

How are you connected
to Divine Inspiration?

A tweet, a network, a digital modem?
A telephone wire? A string with a tin can
attached to either end?

Is it a tight leather leash that keeps you online,
or a silk thread barely visible to the naked eye?

Is it not there at all sometimes,
or just sitting in your pocket for when you need it?

Is it short, or long, or indefinable,
stretching out endlessly,
then retracting as needed?

Most of all, is it sturdy enough
to withstand the tests of a lifetime?

Envision your enduring connection,
its size and shape weight and color,
its texture and smell.

Carry it with you
as you connect to the other side
of the 39th gate.
